

IMMERSE YOURSELF IN THE
CONTINENT'S UNIQUE
CULTURE, TRADITIONS AND
MODERN ADVANCES

OPPORTUNITY PLATFORM (FOR YOUTH)

In a world full of changes, young people are the engine of the future. This means that we should not just dream, but act: launch projects, find like-minded people, learn new things, exchange ideas. This space is for those who want more: more freedom, more knowledge, more influence.

EMPLOYMENT

Finding a job is not always a matter of a diploma, but more often of knowledge, activity and the right steps. Here you'll find not only job vacancies, but also CV tips, training courses, real success stories, and lifehacks on how to survive in a competitive environment. Where to look for a job, how to start from scratch and why skills matter more than paperwork - we discuss it all here.

BUSINESS

Find inspiration to build your business or innovate:

- Technology and startups.
- Ideas for small and medium-sized businesses.
- Tips from successful entrepreneurs in Africa.
- Tell your success story, share your experience.
- Innovators and Inventors! We are looking forward to interesting discussions and fantastic discoveries.

AGRICULTURAL SOLUTIONS

Agriculture is not just a hoe and a field, but a whole system of knowledge, technology and entrepreneurship. In the African context, farming can be a source of sustainable income and even innovation. How to grow more with less? Where to sell crops profitably? How to use mobile technology on the farm? Discuss, share experiences, find solutions - from tradition to smart approaches.

EDUCATION AND CAREER

Grow together with the community

- Online courses and training
- Career strategies
- Professional growth opportunities
- Talk about your teaching methodology. Create your class of trainees.

HEALTH

Useful tips for men, women and the whole family:

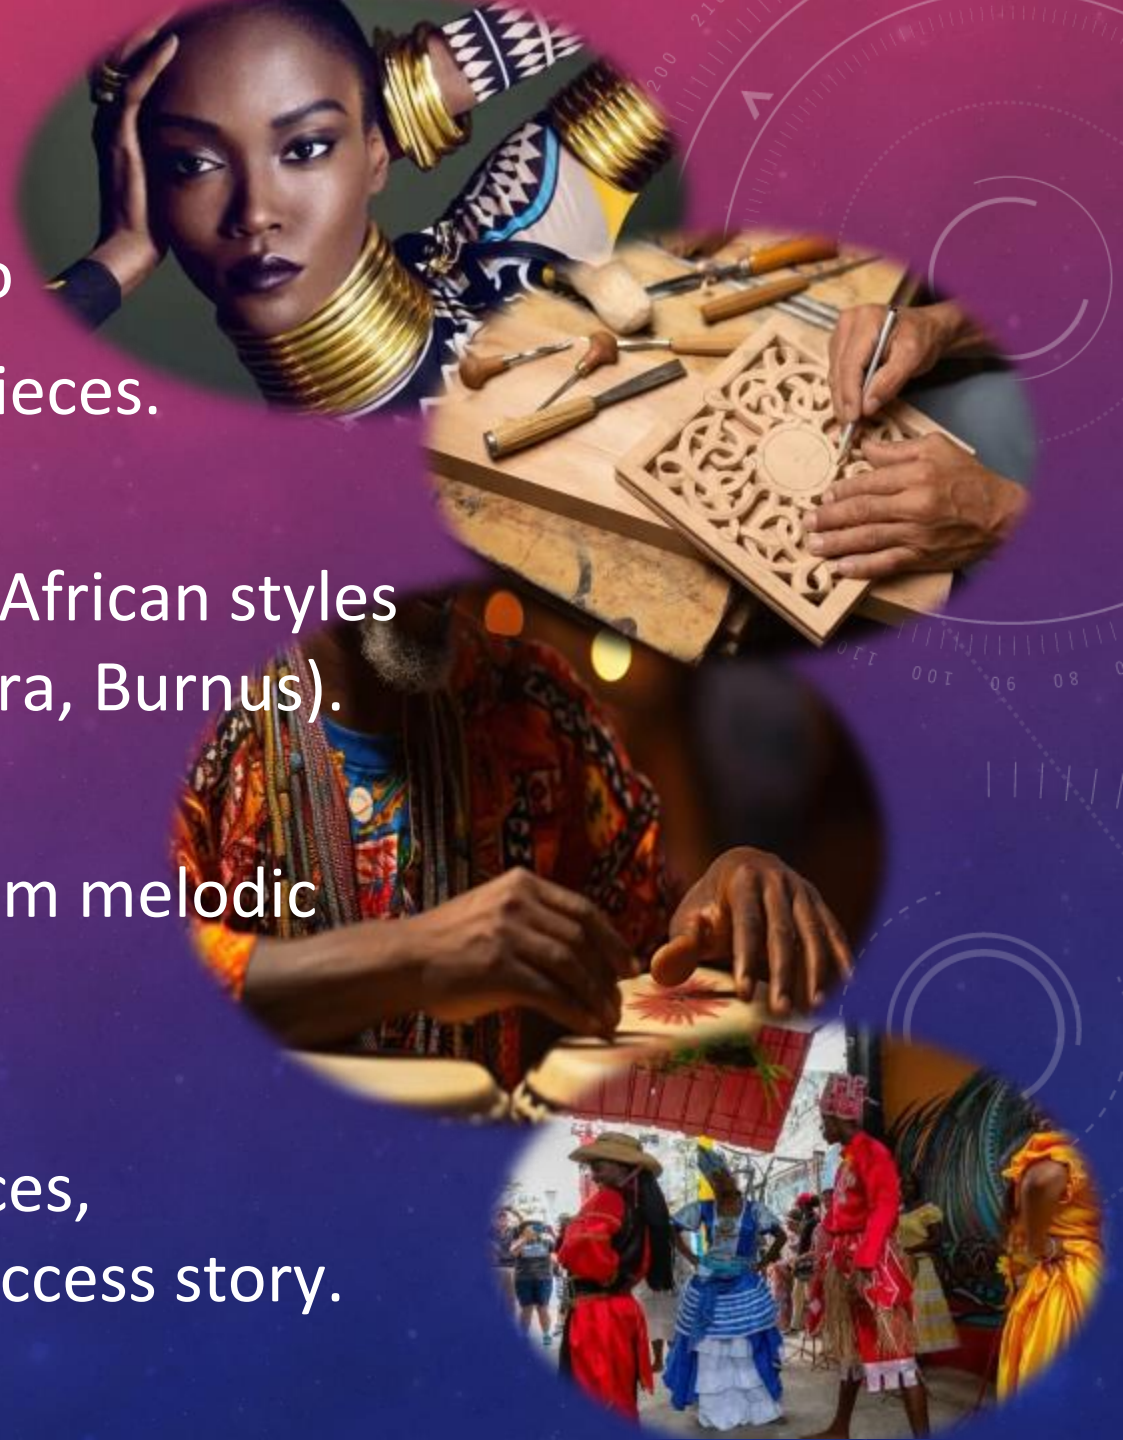

- Online consultations with doctors.
- Personal Growth.
- Healthy lifestyle.
- General medical practices and traditional treatment methods.
- Participate in discussions, share your recovery story

CREATIVITY

Art, fashion and music of Africa in one place:

- Creativity: wood carving, artwork, bronze pieces.
- Fashion and design: learn about traditional African styles and contemporary trends (e.g. Kanga, Ankara, Burnus).
- Music: enjoy a variety of national styles, from melodic Mbira to energetic Hip-Hop.
- Upload your creative work and performances, share your creative solutions, make your success story.

SPORTS

Support your favourite teams and follow the continent's most popular sports: football, basketball, rugby and more. Upload your photos and videos, share your sporting achievements, performance techniques and fantastic stunts. Be the first.

TRAVELLING

Travel through the amazing countries of Africa, discovering unique locations, historical sites and cultural events. From the Sahara to the East Coast, it's all in your hands! Share exclusive reports, photos and videos, become the best, everyone is waiting for your stories.

ANIMAL WORLD

Discover the fantastic wildlife of Africa: lions, elephants, giraffes and many other inhabitants of the continent. Learn interesting facts and observe their lives. Your photos and videos of the animal world will be seen by millions. Become a blogger of your territory, talk about the animal world, prove that you are the best.

THERE ARE TWO USUAL WAYS OF CREATING SOCIAL NETWORKS OR MOBILE APPLICATIONS: CUSTOM DEVELOPMENT OR RENTING BUILDER SERVICES.

WE HAVE CREATED A THIRD SOLUTION...

PERSONAL 'REZVOV MOBILE SOFTWARE IS YOUR DIGITAL WORLD IN YOUR POCKET! A REVOLUTION IN THE WAY OF GETTING - FROM AN IDEA TO A FINISHED PRODUCT IN ONE DAY!
